

Exclusive Benefits for BRCGS Professionals

The BRCGS Professional programme ensures you remain at the forefront of the industry. It delivers advanced product safety knowledge which will enhance your career through global recognition of your knowledge and skills.

Once you have completed your training and graduated from the programme as a qualified BRCGS Professional, there are a number of exclusive benefits and perks for you to enjoy. This will help you to stay up to date with the industry and ensure your professional development continues after graduation.

VERIFIABLE CREDENTIALS

On graduation, you will be awarded with your BRCGS Professional diploma and open badge via Diplomasafe. As well as being easily accessible, the Diplomasafe credentials are downloadable as a PDF, and can be verified via a QR code and URL to show authenticity to any interested parties. This can be used on social media, or your email signature for example.

OPPORTUNITIES TO SHOWCASE YOUR SUCCESS

Upon graduating, you will be offered the opportunity to publish a Success Story about your experience of becoming a BRCGS Professional. This is a great way to showcase your achievement on both our website and across social media. You can see other examples of Success Stories here: [Global Success Stories | BRCGS](#).

In addition, we regularly request input into various marketing campaigns such as case studies and videos so you will have plenty of opportunities to participate and promote your globally-recognised status as a BRCGS Professional.

MICROLEARNING ACCESS

As a BRCGS Professional, you will be granted exclusive access to the BRCGS Microlearning app. This app is full of bite-sized online courses which are supported by games and exercises to help embed your learning. It includes short online courses on a wide range of topics such as technical skills, leadership and professional business skills, wellbeing and much more. The app provides a flexible learning option via desktop and mobile devices to earn further credentials in your own time and it all counts toward your Professional Progress Points (PPP).

FOOD SAFETY AMERICAS 2022

GLOBAL COMMUNITY FOR PROFESSIONAL NETWORKING

Being part of our ever-growing network of worldwide BRCGS Professionals, you will be invited to join our BRCGS Professional networking events. These events are a great opportunity to meet likeminded individuals from different companies across the industry, to both widen your professional network and expand your knowledge.

ACCESS TO EXCLUSIVE CONTENT SUCH AS WEBINARS, NEWSLETTERS

As a BRCGS Professional you will be sent our quarterly newsletter, which contains all the latest news and developments from BRCGS so you'll never miss a thing. We also offer exclusive webinars hosted by a range of subject specialists. These webinars can also be used toward your PPP points.

FEATURE ON THE BRCGS PROFESSIONAL DIRECTORY

The BRCGS Professional Directory showcases all graduated BRCGS Professionals to celebrate your success. It also provides a further point of verification of your credentials for greater assurance, and increases visibility of graduated professionals for further opportunities to grow your professional network.

“Stay up to date with the industry and ensure your professional development continues after graduation”.

ELIGIBILITY FOR 'PROFESSIONAL OF THE YEAR' AWARD

You can nominate either yourself or a BRCGS Professional colleague for the 'Professional of the Year' award at both Food Safety Europe and Food Safety Americas.

DISCOUNTS ON EVENTS AND TRAINING

BRCGS Professionals are entitled to all year round discounts on our training courses and events, with up to 20% off general admission tickets.
