Dr Ruth E. Timme

Research Microbiologist

**US Food and Drug Administration – Center for Food Safety and Applied Nutrition
(FDA-CFSAN)**

Ruth Timme is a Research Microbiologist at the FDA's Office of Regulatory Science.

She received her PhD in 2006 in Plant Biology at The University of Texas at Austin. Her research background is focused mainly on utilizing comparative genomics and phylogenetics methods to answer evolutionary questions.

At the FDA she coordinates the GenomeTrakr lab network and works to validate phylogenomic methods used for foodborne pathogen surveillance.
