Peter Begg

Vice President, Quality and Food Safety

Glanbia Nutritionals

Peter is currently Vice President, Quality and Food Safety for Glanbia Nutritionals. He oversees all aspects of quality and food safety across the company including risk management, regulatory and food safety conformity and product compliance for the business. Glanbia Nutritionals provides nutritional and functional ingredient solutions for use in the food and beverage industry.

Prior to Glanbia, Peter was Senior Director of Global Supply Chain Quality for Mondelēz International. His responsibilities included auditing, supplier quality, sanitation and hygienic design, Lean Six Sigma for quality, distribution and warehouse quality, policy and training, and quality systems. Before that, Peter was the Director of Quality for Kraft Foods Europe from 2008-2011 and Director of Research, Development and Quality for the Kraft Foodservice (Away from Home) business in North America from 2005-2008.

Throughout his 25-year career, Peter has worked in a variety of business roles including engineering, R&D and quality. Peter also represented Mondelēz International on the Global Food Safety Initiative (GFSI) board of directors from 2012-2017. Peter completed his B.S. in Chemical Engineering from Pennsylvania State University in 1994.
