Evan Rosen

Director, Global Quality – Systems and Governance

Tate & Lyle

Evan is currently Director, Global Quality – Systems and Governance at Tate & Lyle. He is responsible for BRCGS certifications and training, supplier risk management, food safety and quality systems, and policy development across 21 sites globally.

Tate & Lyle is a global provider of solutions and ingredients for the food and beverage markets, including sweeteners, texturants, fibers, food stabilizers, acidulants, starches and savory ingredients.

During his twenty years in the food industry, Evan was Quality Manager at Kari-Out Company, which specializes in to-go food packaging and condiments; Food Safety Auditor at AIB International; Food Technical Manager at SAI Global; and more recently, as Vice President, Food Safety and Quality Assurance at PacMoore Products, a provider of toll and turnkey food contract manufacturing services.

Evan is a BRCGS Principal Trainer and also serves as Secretary on the International Association for Food Protection (IAFP) Sanitation and Hygiene Professional Development Group. He earned a Master of Public Administration from the Rockefeller College of Public Affairs and Policy, University at Albany, State University of New York.
