## David Brackston

**Technical Director**

**BRCGS**

David joined BRCGS in October 2007 and has overall technical responsibility for the BRCGS programs and compliance activities. He has recently chaired the working groups developing Issue 8 of the Global Standard for Food Safety, and managed the recent development of the Global Standard for Consumer Products.

Prior to this he had worked for a certification body, originally as an auditor, before becoming the Quality and Processing Director with responsibility for all post farm gate certification schemes including BRCGS, IFS and ISO 22000.

Having worked for more than 10 years in retail as Technical Manager and Marketing Manager for ASDA (Wal-Mart), and before that for a period in manufacturing at Associated British Foods, he has a wealth of experience of the management of food safety throughout the supply chain.
