## Andrew Clarke

**Senior Director, Quality Assurance – Control Brands**

**Loblaw Companies Limited**

Andrew holds a BSc in Food Technology and an MSc in Food Safety Management, and has experience working in regulatory, manufacturing, foodservice and now retail, overseeing the vendor product safety and quality programs for control brand food and non-food products at Loblaw Companies Limited.

Andrew has been an advocate for the BRCGS Standards for many years, having initially trained as a third party food auditor in 2002 and every version change since, and participating on the BRCGS International Advisory Board for several years.

Additionally, Andrew has worked on several Global Food Safety Initiative (GFSI) working groups including benchmarking several food safety standards, and was involved in the development of the GFSI Food Safety Culture position paper.

Andrew is an active member of the International Association for Food Protection and a Fellow of the Institute of Food Science and Technology, as well as serving on the editorial board for the journal Food Safety Management in Practice.
