

Name:

Eng. Yasser Qutub

County:

Saudi Arabia

Company:

Savola Foods Company - KSA

Job Title:

Quality Assurance Sr. Manager

What is your current role?

I am the Quality Assurance Sr. Manager at Savola Foods Company - KSA.

Why did you join the BRCGS Professional Programme?

I wanted to enhance my personal knowledge and skills and demonstrate that as a professional I now have the highest level of qualification in Food Safety and Quality. Also, the Professional certification shows to our customers that as an organization we have appointed the right people to implement and develop Food Safety & Quality systems.

What value do you personally feel the BRCGS Professional certification brings to you?

This formal qualification will boost my confidence to lead my team and implement any Quality & Food Safety system in less time, achieving the best quality at a minimal cost. I also feel proud of my personal achievement of being one of the first BRCGS Professionals in Saudi Arabia in the Food sector.

How has/will the recognition programme impacted your work?

I am now in a better position to provide mentorship and guidance to any food company, supplier or customer and help them ensure compliance with regulations and standards.

How did you get to your current role?

My journey started in 2010 when I joined United Sugar Company as a Management Trainee. After that, I was promoted to be the Operations Manager, then Quality Assurance Manager and later I gained a role of the Quality Assurance Senior Manager at Savola Foods Company – Sugar KSA.

What is your educational background?

I have a Bachelor degree in Industrial Engineering, Master degree in Engineering Management and Master degree in Management Information System (Business process management).

What are your career ambitions/aims?

I want to continue developing my career to progress into more senior positions.
