

**Name:**

Aslan Aslanov

**Country:**

Azerbaijan

**Company:**

Veyseloglu group of companies

**Job Title:**

Head of Quality Control &amp; Central Laboratory Department

**About you...**

First of all I'm professional food engineer with 15 years experience. Right now, I am Head of Food Quality Assurance and Central Laboratory Department in Veyseloglu Group of Companies.

**Why did you join the BRCGS Professional Programme?**

I believe that the knowledge I gained during the certification will give me the answers to solve quality issues in my future career and it will give me the opportunity for international recognition in this area.

**What value do you personally feel the BRCGS Professional certification brings to you?**

I feel that I have grown my network in the Food Safety industry and it is an opportunity for new brain storming meetings with like-minded professionals.

**What did you most enjoy about the training?**

It gave me huge benefits. I enjoyed the professionalism of the whole training programme and trainer.

**What are you most looking forward to within the Professional community?**

The thing I am looking forward to most is the opportunity to exchange ideas with colleagues from other countries.

**How do you plan to keep your skills up to date?**

I plan to keep my skills up to date through constant learning and participating in new events.

**What are your career ambitions/aims?**

To achieve success in any new food industry projects.
