

**Company Name:**

Beatus Cartons

### **Can you please introduce your company?**

Beatus cartons is a family owned Printed Folding Carton manufacturer. We are based in South Wales and are in our 82nd year of manufacturing.

### **Why did you choose the BRCGS Standard?**

BRCGS is a global certification and is a pre-requisite for many retailers and manufacturers in order to receive their Supplier Approval.

### **What are the benefits being BRCGS certificated?**

The certification provides our customers with the assurance and confidence that our systems, processes, quality, and regulatory compliance have all been independently audited. This enhances both our reputation and brand and is essential in our strategy for future business growth.
