

**Company Name:**

Pompeian

Can you please introduce your company?

We are Pompeian, a privately owned company established in 1906 in Baltimore, Maryland. We are the leader in the United States in the manufacture of Extra Virgin Olive Oil and Vinegars. We are the olive oil people at our core. With quality as our focus, we cherish each harvest and care for every drop of Olive oil and its potential to bring people health and happiness, it is what inspires us. We share our love and passion for olive oil with the world through each and every bottle we produce.

Why did you choose the BRCGS Standard?

We chose BRCGS, because it is a great global recognized Quality & Food Safety Standard, that allow to provide products with the best Quality, Food Safety, and improve our processes year to year, providing us the best guidelines to allow us to grow under a continuous improvement process.

The BRCGS Standard has allowed us to standardize and improve our Quality and Food Safety programs, and our operation in general.

What are the benefits being BRCGS certified?

The benefits of being GFSI Certified, is that our customers and consumers have the assurance that all our products are of the best quality, are safe, and in compliance with this International recognized Standard.
