

SUCCESS STORY

BRCGS 
PROFESSIONAL

Name: **Anshid Venthodika**

Job title: **Performance Improvement Consultant**

Country: **Saudi Arabia**

Tell us about your background / you / role / education / outside of work.

Holding a Master of Science in Food Science and Technology and qualified in the UGC National Eligibility Test (NET) for Assistant Professor, Anshid combines strong academic credentials with practical industry leadership. His research contributions include publications in international journals with impact factors above 6, reflecting both scientific depth and global relevance.

Why did you join the BRCGS Professional Programme?

To ensure brand protection for my company, gain a deeper knowledge of Product Safety Management, and achieve international recognition.

What value do you personally feel the BRCGS Professional certification brings to you?

Belonging to a larger community of professionals, enhanced knowledge of Product Safety Management, and increased employability.

How has the training helped improve operations at your site/company?

Anshid is a results-driven, dedicated professional with expertise in quality systems and food safety, enhancing compliance and operations while coaching employees to grow and excel.

What did you most enjoy about the training?

The depth of knowledge gained.

What are you most looking forward to within the Professional community?

Networking events, exposure to other like-minded professionals, and exclusive perks such as microlearning.

How do you plan to keep your skills up to date?

Through further training, mentoring, attending conferences and events, e-learning, and webinars.

What are your career ambitions/aims?

To be recognised as an industry leader.
