

**MAY 22-23, 2018**  
**NASHVILLE**

**Paul Valder**

**President**

**Allergen Control Group Inc.**

Paul Valder is President and CEO of the Allergen Control Group, owners of the Gluten-Free Certification Program (GFCP), the only preventative gluten-free manufacturing certification standard, founded on globally-recognized food safety management principles.

Paul is also the founder and CEO of Toronto-based Paul Valder Consulting (PVC Inc.). Since 2007, PVC continues to provide independent, first-in-class, risk-based and professional support services to the food industry. PVC is fully equipped to help organizations throughout the value-chain meet increasing customer, regulatory and consumer requirements when it comes to globally-recognized food safety and quality management standards.
