BRCGS

BRCGS Certificated Site of the Year (EMEA and adjacent regions)

Awarded to a BRCGS certificated site* that has demonstrated excellence in developing and maintaining their BRCGS program, promoted BRCGS certification, and used BRCGS certification to enhance or grow their operations.

*This category is applicable to sites certificated against **any** of the BRCGS Standards.

How many years has the Site been certificated to BRCGS and which product categories?
Has the Site had any recalls in the last 12 months? and if so, what products did this relate to and how has the Site improved from it?
Which BRCGS services does the Site use to support their continuous improvement?
Examples of how the Site works to promote and improve a product safety culture within the organisation, as well as externally, with either supply chain or customers.

BRCGS

How best has the Site demonstrated that they are BRCGS ambassadors in the past 12 months?
Letters of reference from business partners, either suppliers or customers, with contact details for verification.
