

The food industry's safest pen.

Reduce the risk with Retreeva's metal and x-ray detectable pens, markers and highlighters.

Retreeva
Part of the Klipspringer Group **global**

Don't compromise.

When it comes to pens, you deserve true peace of mind.

Why do over 1,000 factories trust Retreeva?

- ✓ Proven levels of detectability by metal and x-ray detectors.
- ✓ FDA approved. Certificated to permitted EU migration standard.
- ✓ Complies with BRC Global Standard for Food Safety Issue 9.
- ✓ Leading in design and product innovation.
- ✓ Shatterproof.
- ✓ Chosen by the most discerning Technical and Quality Managers.

Spring-free –
no small parts

11km of ink
per pen

Virtually
Indestructible

Always in stock for
same day despatch
